To the Memorial of PM Rafic Hariri,

It is a day we will all remember, The Former PM Rafic Hariri is very much missed by all those who had the good fortune of knowing him; you may take some solace from knowing that he is remembered by all as a man of great vision who had the heart of a champion.

I am sure that you all will hear again and again how precious his humanitarian work was to so many; how tirelessly devoted he was to promoting world peace; and so much more. He was respected world wide and I am grateful that I had the privilege to meet and come to know him.

Our thoughts are with each and every one of you.

Sincerely,

  
Jean Chrétien
