

SENATE SÉNAT
CANADA

The Honourable Mac Harb

L'honorable Mac Harb

February 16, 2010

Dear Friends,

It is a tribute to the greatness of former Lebanese Prime Minister H.E. Mr. Rafic Hariri, that we gather each year to mourn his tragic passing and to celebrate the impact of his life's work.

With every passing year, it becomes more and more evident that Rafic Hariri's vision of unity and strength for Lebanon is a goal that must never die. It is up to each of us to pursue, in the various avenues that are open to us, the goal of a unified, free and just Lebanon.

I am grateful to those who work so diligently to bring us together on the anniversary of Rafic Hariri's assassination so that we might be reminded of his sacrifice, and be re-energized in our commitment to fulfil his dream.

Thank you.

Sincerely,
